

# A Letter TO Mujahedeen IN Maldives.

All praise and glory are due to Allah. The mighty and The Strong. And may the peace and blessings be upon our beloved Messenger who announced to the Kuffar, 'I have come to slaughter you.'

**And fight against the Mushrikun collectively, as they fight against you collectively. But know that Allah is with those who are Al-Muttaqun (At-Tawbah: 36)**

**Verily, Allah loves those who fight in His Cause in rows (ranks) as if they were a solid structure. (As-Saf: 4)**

Indeed, it is one of the blessings of Allah almighty in these times for the Muwahedeen for having united us all under the banner of Tawheed. The truthful believers from the east and the west gathered behind the single Imam and laid foundation to the Jama'ah with their spilled blood and the scattered limbs. With the help of Allah alone and then patience and steadfastness the Mujahedeen from the Islamic State returned the honor and dignity by establishing the Khilafah upon the methodology of Prophethood. All this happened when the establishment of caliphate was thought to be nearly impossible. Thus, the truthful believers from east and the west rushed to pledge allegiance to the Ameer ul Momineen Shaikh **Abu Bakr al Baghdadi** (may Allah accept him). And then, the true essence of the Ummah was actualized when people from different schools of thought like Shafi'e Malik'e, Hanbali'e and Hanafi'e belonging to different races having different colors, ethnicities and different nationalities gathered under one banner, one Imam and One Jama'ah. The only purpose for their unity was to wage Jihad against the infidels and make the Word of Allah the highest and the word of the disbelievers the lowest.

Thus, the latest to join this blessed caravan are the brothers from the Maldives. We congratulate them for having pledged allegiance to the Caliph Shaikh **Abu Ibraheem al Hashimi al Qureshi** (May Allah protect him). Know that **O brothers from the Maldives** your joining the Islamic State has healed the believer's chests and ragged the disbelievers. Allah almighty selected you to be

the Mujahedeen whom He promises the tremendous rewards, so ask Allah for His help and be patient. However, there are trials and tribulations by which Allah almighty tests the Mujahedeen out of His Infinite wisdom.

**Do you think that you will enter Paradise before Allah tests those of you who fought in His Cause and also tests those who the patient ones? (Al-e-imran: 14)**

Be steadfast upon trials and tribulations; and fight the disbelief in all its forms and manifestations as Allah has commanded you. Fight against the disbelievers until there is no more fitnah and religion in its entirety becomes for Allah. Fight the kuffar with all your will and might and leave the outcome upon Allah almighty.

**O you who believe! Endure and be more patient than your enemy, and guard your territory by stationing army units permanently at the places from where the enemy can attack you, and fear Allah, so that you may be successful. (Al-e-imran: 200)**

The fight against the Jews (may the curse of Allah be upon them) has intensified especially in the wilayaat of Sinia and Sham. Sheikh **Abu Ibraheem al Qureishi al Hashmi** (May Allah protect him) announced that the war against the Jews be intensified. Likewise, you also are commanded to intensify your attacks against them. Where ever you find them kill and annihilate them. Take from them the revenge of killing innocent children, women and elderly.

And lastly, we greet you on the day of Eid ul Fitr. May Allah accept all your good deeds done in the month of Ramadhan. Avoid the sins which you avoided in the month of Ramadhan and continue doing the good deeds which you started in it so that the pleasure of Allah be with you. Take care of poor and needy among you. Do not abandon the families of the Shuhadah and the prisoners. **May Allah help you against the disbelievers and keep your steadfast upon His Deen, Ameen.**
